St. George's Church of England Primary School

Pupil Entitlement

Fearless Through Faith

The governors have set the following entitlements for all pupils during their seven years at St. George's Church of England Primary School.

- To learn to play a musical instrument
- To participate in class and school productions (assemblies and school shows)
- To visit an art gallery
- To visit a museum
- To experience travelling on a public local bus, train and tram
- To experience two live musical recitals from different genres
- To visit a theatre production
- To visit a range of religious buildings
- To visit a location different to Ashton-Under-Lyne such as the countryside or the seaside
- To attend a residential visit with an outdoor activity focus
- To learn outdoors – to plant and grow food and cook with it
- To learn about a range of different occupations
- To participate in competitive sports activities within school and with other schools

It is hoped that these experiences will encourage our pupils to develop aspirations for their future lives and develop the courage to aim high and reach their full potential in line with the School Vision, Mission and Values Statement.
